

Women's all-time NEICAAA XC Championship race performers/performance @ 5-kilometers

This list contains the top 209 women's all-time women's performances the NEICAAA XC Championships at Franklin Park (1995-2011, 2013-2019,21-22). The performances are all those at sub-18 minutes. There were no sub-18 minutes performances from the open/sub-varsity races. There is a total of 164 performers, with 35 athletes having multiple performances listed. The rank column contains the list of ranked performers, 164. The overall places on the list run from first [16:40] thru 164nd [17:59]. In the Name/Class/School column I have attempted to list the athlete's year in school at the time of the performance. Some I didn't have quick access to simply because the year-in-school was not listed in the early years of the championships beginning in 1995 – the year this particular course was initiated. Anyone who can enlighten me to assist in filling in some of the missing data would be greatly appreciated. Likewise, with the school, I have attempted to list the athlete's country of origin, if not from the U.S. I could use a little help here also as I may be missing a few. Rachel Hixson (Providence/1997-2000) has the most performances with four. Andrea Walkonen (BU), Gladys Ganiel (Providence), Dana Ostrander (Providence), Jordan O'Dea (Northeastern), Rebecca Donahue (UMass Amherst) and Carolyn Cretti (Williams) all have three apiece. The list does not contain performers/performance from the 2012 championships at Stanley Park, Westfield, MA. The championships were not contested in 2020. Class and division records are noted below.

Larry Newman
