

The NEICAAA and New England colleges and universities indoor track and field schedule for the 2021-2022 indoor season is noted below. The list contains those meets hosted by a New England school and the major championship meets that fall outside the New England jurisdiction, but are attended by New England colleges and universities. Questions, comments, suggestions, criticisms [if any] always appreciated. Special thanks to Walt Murphy/*Eastern Track* for his contributions.

Larry Newman  
For the NEICAAA
