

2025 NEICAAA Outdoor Championships Meeting Records

A listing of the records relevant to the 2025 NEICAAA Outdoor Track & Field Championships is noted here. Meet records are inclusive from 1887 to present. Facility records are from the UMass Track & Field Complex since 1989. NEICAAA All-Time [A-T] records are the best legal performances made "in season" up to and including the NCAA Outdoor Track & Field Championships. NCAA records are noted per the NCAA and *Track & Field News* guidelines. Absolute records are not listed. For purposes of these records just outdoor marks are noted. Some wind readings and full dates are missing. They will be included in future updates. Thanks to Glen McMicken (USATF/Stats), *Track & Field News*, TFRRS, Dave Johnson (ATFS), Walt Murphy (*Eastern Track*) and Sean McKay (UMass Amherst) for their contributions.
