

Men's all-time NEICAAA XC Championship race performers/Performances @ Franklin Park

The list contains the top 247 men's performers and the top 332 men's performances at the NEICAAA men's XC Championships at Franklin Park [1995-2011, 2013-2019, 21-22. The 2012 Championships, held at Stanley Park in Westfield, Mass, are not included. The performances are all those at sub-25 minutes, including three performances from the open/sub-varsity races [I have not been unable to locate the sub-varsity results from 1998. Therefore, any sub-25-minute performances unearthed from that race will be included in a later update.]. The rank column contains the list of ranked performers. There are 248. The overall places from the list run from first [23:31] thru 332th [24:59]. In the Name/Class/School column I have attempted to list the athlete's year in school at the time of the performance. Some I didn't have quick access to simply because the year-in-school was not listed in the early years of the championships, beginning in 1995 – the year this particular course was initiated. Anyone who can enlighten me to help fill in some of the missing data would be greatly appreciated. Likewise, with the school, I have attempted to include the athlete's country if not from the U.S. I could use a little help here also, as I may be missing a few. Five athletes share the most performances on the list with four: Keith Kelly (Providence/Ireland [1997-2000]), Leakey Kipkosgei (AIC/Kenya), Patrick Moulton (Providence/US), Adam Sutton (Providence/England) and Dylan Wykes (Providence/Canada). Class, division and other records noted below.
